Tracing problem 1

Welcome to the Graphical shapes program

1: rectangle

2: square

3: equilateral triangle

4: right angled triangle

5: rhombus

6: exit

Choose the shape you want to draw or exit: 9

Invalid try again!

Choose the shape you want to draw or exit: 1
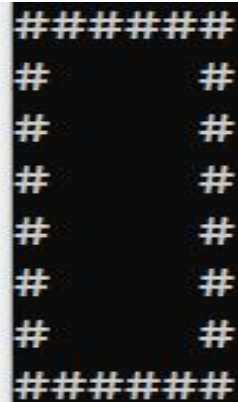

What is your board type? #

Enter rectangle length: 6

Enter rectangle width: 4

```
######
#    #
#    #
#    #
#    #
#    #
#    #
######
```

1)Continue

2)Exit

_1

Choose the shape you want to draw or exit: 2

What is your board type? @

Enter square length: 5

```
@@@@@@@
@       @
@       @

```

1)Continue

2)Exit

_1
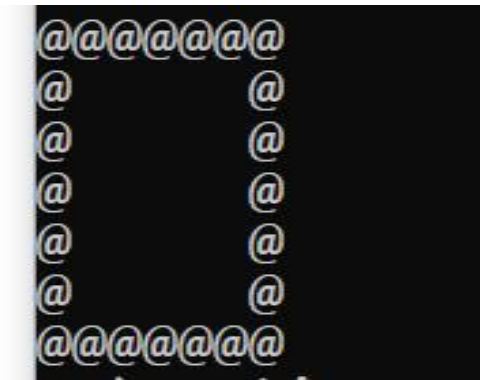

Choose the shape you want to draw or exit: 3

What is your board type? ^

Enter triangle base: 5

```
        ^
      ^   ^
     ^       ^
    ^         ^
   ^           ^
  ^             ^
^^^^^^^^^^^^^^^^
```
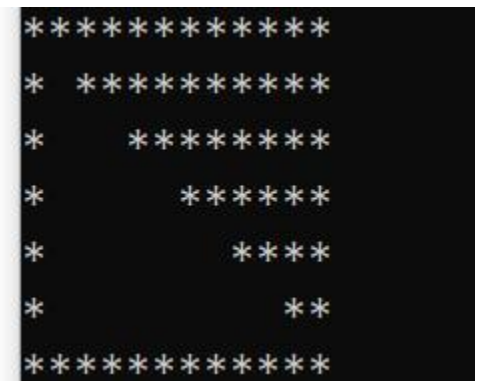

1)Continue

2)Exit

_1

Choose the shape you want to draw or exit: 4

What is your board type? *

Enter triangle base: 10

Enter triangle hight: 5

```
*************
*  **********
*    ********
*      ******
*        ****
*          **
*************
```

1)Continue

 2)Exit

 _1

Choose the shape you want to draw or exit: 5

What is your board type? &

Enter rhombus length: 4

1)Continue

 2)Exit

 _2

Thank you for using our program
